

THOSE "BROKEN PLEDGES."

How the Ormsby County Representatives were Released from their Obligations.

On Saturday night, October 5, at the Carson Theater, Mr. Mighels presented to his audience the following documents, whose validity and authority were considered, by the Ormsby delegation in the Senate and Assembly of 1877, as a release from the pledges taken by them against any modification or repeal of the so-called Bonanza Compromise Bill:

We the undersigned, members of the Republican County Central Committee of the County of Ormsby, State of Nevada, believing that it will be for the best interests of the State at large, and not detrimental to the interests of the County of Ormsby that the proposed measure reducing the tax upon the proceeds of mines should pass, thereby assuring the prompt payment as well of the taxes past due as of those which may hereafter be levied, and believing also that a change has taken place in public sentiment upon this subject since the recent election, do hereby as representatives of the Republican party of Ormsby County, as far as we may so do, release our representatives in the Legislature of the State of Nevada from any pledges they may have made upon the said subject and recommend that they do support the passage of said Bill.

E. B. Zabriske, Chairman.
Frank McCullough
W. O. Broadhead
George Gilson
Augustus Lewis.

We the undersigned, members of the Republican party of the County of Ormsby, and tax payers therein, do hereby endorse the recommendation of the County Central Committee:

PLATFORM AND RESOLUTIONS.

The Republicans of Ormsby County in convention assembled, renewing their allegiance to the underlying principles of their glorious party and resolved upon their vindication, set forth as follows:

Resolved, That we do hereby ratify and endorse the action of the Republican State Convention lately held at Eureka, both in respect of the platform there adopted and the candidates thereby placed in nomination for positions under the government of the State; and we hereby pledge ourselves to use all honorable and just means to secure the election of the said nominees.

Resolved, That every candidate coming before this Convention, seeking a nomination, shall pledge himself to support the entire Republican ticket, State, county and township, and to lend all his aid and influence toward the election of the same.

Resolved, That the brilliant record made by the Hon. John P. Jones, as a Senator in the Congress of the United States, meets with our unqualified approval; and as a substantial endorsement of his course, in all things, and especially in behalf of the remonetization of silver, we hereby instruct the candidates whom we may nominate to the Senate and Assembly, to cast their votes for his return to that body, so long as he shall continue to be a candidate for re-election at the hands of the incoming Legislature.
